SELECTION PROCEDURE

CISV Luxembourg is granted a limited number of attendants in International Programmes by the CISV International Office each year. This number depends on the number of delegations and participants we hosted in the previous years in international programmes organized by CISV Luxembourg. As we are a volunteer organization, the good cooperation of our members is extremely important. Unfortunately, we don't always get invitations for all ages.

The Board of CISV Luxembourg reserves the right to allow or deny a participant for an activity or programme. This decision is taken based on the criteria described by CISV International (info file R-5 and R-6 (9008)). CISV Luxembourg's uses a set of rules to ensure fairness and transparency and applies the following selection criteria: Motivation, Presence at the CISV Weekends, Age, Maturity and Involvement in CISV, Involvement and support from parents,

If the number of candidates for a certain group (gender/age) is larger than the number of places, you will be informed in time how we will apply the selection procedure.

FINANCE

Before a candidacy is accepted, the candidate or his parents must pay the membership fee. Further information and payment advice will be sent by subscription confirmation mail

Date, signature parent 1

Please return the filled & signed form latest November 1st 2018 to info@cisv.lu
or hand over to a board member
