SUPPORT OF THE CISV TEAM

As a member of CISV Luxembourg, I agree to contribute to the operations of the CISV Luxembourg team by supplying support, hosting participants, helping to find missing candidates and leaders, etc.

SELECTION PROCEDURE

CISV Luxembourg is granted a limited number of attendants in International Programmes by the CISV International Office each year. This number depends on the number of delegations and participants we hosted in the previous years in international programmes organised by CISV Luxembourg. As we are a volunteer organisation, the good cooperation of our members is extremely important. Unfortunately, we don't always get invitations for all ages.

The Board of CISV Luxembourg reserves the right to allow or deny a participant for an activity or programme. This decision is taken based on the criteria described by CISV International (info file C-04 (1332)). CISV Luxembourg applies the following selection criteria: Motivation, Presence of the candidate at the CISV Mini Camps, Age, Maturity and Involvement in CISV, Involvement and support from the family (in the previous and the current season).

We expect family members to actively contribute by helping in events, actively promoting CISV programmes and searching for candidates & leaders, hosting camp attendants (home stay weekend for selected camps) and supporting the Chapter's effort to organise, set up and execute a programme. (When confirming the proposed invitation, the parents are expected to also confirm their agreement to contribute)

If the number of candidates for a certain group (gender/age) is larger than the number of places, you will be informed in time how we will apply the selection procedure.

We will only consider an application if the following criteria are met:

- Paid the membership fee for 2022 (*For new members, please fill out and send Membership application form*)
- Send the form, filled and signed to programmes@cisv.lu until **February 26, 2022**
